Mr. Jozef Migaš had accepted congratulations from his compatriots, colleagues-diplomats, business circles, politicians, artists, friends and partners of the Slovak Republic. The senior management of the IIB also attended the celebrations.

International Investment Bank also wishes H.E. Mr. Jozef Migaš many fruitful years of life, active work for the benefit of the Slovak Republic, happiness and prosperity.

The IIB highly appreciates the support that H.E. Mr. Jozef Migaš renders to our work, his active and committed participation in the Bank's renovation. The Slovak Republic was one of the first countries to have approved and supported the IIB's transformation which started a year and a half ago. The contribution of its representatives to the successful transformation of the Bank to an international institution was one of the most solid.

The representatives of the IIB are certain that in the future the Bank will have H.E. Mr. Jozef Migaš as a reliable friend and partner and his activity in his responsible position will bring tangible benefits to the contribution of the Slovak-Russian relations, the prosperity of the Slovak Republic and its wonderful people.
