

IIB guarantees supply of power equipment from Slovakia to Cuba

June 5, 2017

The International Investment Bank (IIB) continues to ramp up its guarantee portfolio supporting trade and economic cooperation among IIB's member-states. On May 23, 2017, on behalf of SLOVENSKE ENERGETICKE STROJARNE (SES) Tlmace - the leading Slovak manufacturer of boilers for power plants - IIB issued an irrevocable bank guarantee in favor of the Export-Import bank of the Slovak Republic (EXIMBANKA SR) for an amount of EUR 8 million for 2 years.

The guarantee was issued as part of the EXIMBANKA SR pre-export financing structure, supporting engineering and production phase in the contract for the construction of a new 100 MW power unit for the existing Maximo Gomez thermal power plant in Mariel, Cuba between SES Tlmace and Cuban company Energoimport, a subsidiary of the state power company Union Electrica.

The IIB issues bank guarantees of behalf of financial institutions and exporters, both from IIB's member-states, as well as from the third countries. Guarantees are becoming an increasingly requested product among IIB's customers.
