IIB's Chairman of the Board Nikolay Kosov gives an interview to the RBCC Bulletin

March 23, 2015

Head of the International Investment Bank [told the RBCC Bulletin](#) — the Russo-British Chamber of Commerce periodical — about changes in the Bank during the past two years as part of the implementation of the strategy of its transformation into a modern development institution, as well as about the Bank's results in 2014 and plans for 2015.

The IIB and the RBCC have a long-standing business relationship; the Bank has been a RBCC Silver Card Member since 2012. IIB also contributes to the development of the Russian-British relations through the Moscow International Financial Centre Joint Liaison Group (MIFC JLG), where Mr. Kosov is a Deputy Co-Chairman. In July 2014, the seventh meeting of the Group was held in IIB's headquarters, and particular interest was at the time paid to potential opportunities, with regard to the development of the MIFC, arising from IIB's participation in the process as a multilateral development bank.
