

Business development

The TFSP is an outstanding business development tool, providing a range of facilities to participant banks.

It offers:

- ▶ cover for a broad range of trade finance instruments
- ▶ unconditional guarantees payable on first written demand
- ▶ guarantees for up to 100 per cent of the face value of the underlying trade finance instruments
- ▶ attractive fee levels agreed separately for each transaction
- ▶ a fast and simple approval procedure to issue TF instruments

At present there are issuing banks from Russia, Belarus, Georgia, Vietnam and Mongolia participating in the TFSP, working with leading international confirming banks and their subsidiaries.
