

## Goods and services

IIB guarantees cover a wide range of goods and services including consumer goods, commodities, textiles, equipment, machinery and power supply, energy-efficient projects as well as construction and shipbuilding contracts, cross-border engineering projects and other services.

### IIB Environmental and Social Exclusion List

The IIB does not knowingly support, directly or indirectly, projects involving the following:

1. any projects using forced, compulsory and/or child labor;
2. any projects related to the gambling and lottery businesses;
3. any projects related to the production of tobacco or tobacco products;
4. any projects related to the production of alcoholic beverages stronger than 20% ABV;
5. any projects related to the production of or trade in arms, military equipment or ammunition;
6. the production of or trade in any product or activity deemed illegal under IIB member countries' national laws or regulations, or international conventions and agreements, or subject to international phase-out or bans, such as:
  - any projects to produce or trade in equipment or materials containing polychlorinated biphenyls (PCBs);
  - production of or trade in pharmaceuticals, pesticides/herbicides and other hazardous substances subject to international phase-outs or bans;
  - production of or trade in ozone depleting substances subject to international phase-out;
  - trade in wildlife or production of or trade in wildlife products regulated under CITES;
  - transboundary movements of waste prohibited under international law;
7. any projects related to the activities prohibited by the laws of the member countries or international treaties on the protection of biodiversity, resources or cultural heritage;
8. any projects to produce asbestos, asbestos-containing materials or products derived therefrom;

9. any fishery projects involving the use of drift nets longer than 2.5 kilometers;
10. shipment of oil or other hazardous substances in tankers which do not comply with IMO requirements;
11. trade in goods without required export or import licenses or other evidence of authorization of transit from the relevant countries of export, import and, if applicable, transit.
